

PROMOS

PROMOS Innovation Camp | Bolzano

January 12th - 16th 2026

Important Information

Working language: English

Format: On-site only (in-person attendance required; no online/hybrid option)

Next steps: Further details (final agenda, venue room, logistics) will be sent to selected participants after the selection

Innovation meetings attendance

Part of the concept of PROMOS Technology Transfer Training and Networking, is to give the stage for early career researchers and their innovations at the PROMOS Innovation Meeting. For that, participants whose ideas have matured during the Camp will be invited to present at the next PROMOS Innovation Meeting to investors and project partners.

Participation of this event is entirely optional.

What to Expect?

Work on real-world business challenges

- Collaborate with industry professionals and researchers
- Turn innovative ideas into viable business plans
- Expand your network in a dynamic and inspiring setting
- Receive qualified training in TT

Don't miss this unique opportunity to bring your science to real life applications!

Date: January 12 - 16, 2026

Location: Bozen

Expenses: The Innovation Camp is free of charge. Accommodation and local expenses in Bozen are to be covered by participants**

REGISTRATION FORM

Please complete the registration form at:

<https://www.promos-interreg.eu/en/register-innovation-camp/>

Besides some basic information about you, we ask you to tell us about your innovation and business idea that you would like to develop during the Camp.

The selection committee will treat your registration form as **your intellectual property**, and will keep the information about business ideas and technologies under **No Disclosed Agreement (NDA)** guidelines.

**** Participation for researchers from the partner Institutes of the promos interreg project will be fully sponsored**
